New Life Membership

Join today as a Trout Unlimited Life Member and we'll send you a Sage MOD rod, the new Sage CLICK reel and RIO Gold fly line.

You'll love fishing with your new Sage rod and reel combo and enjoy a lifetime of TU member benefits, not the least of which is knowing that you are making a lasting impact protecting the places you love to fish. Signing up is easy. Just pick your tax-deductible payment plan at [this link](#).

TUCKASEIGEE CHAPTER # 373 OF TROUT UNLIMITED

continued from page -1-

Trout Unlimited has received a \$94,919 grant to continue its commitment to protecting and enhancing regional waterways and the environment. The grant is part of the Water Resources Fund, a \$10 million commitment from Duke Energy.

TU is one of 14 organizations across North and South Carolina to collectively receive more than \$1 million in the fifth grant announcement. The Water Resources Fund is a multi-year commitment that will leave a legacy of improved water quality, quantity and conservation in the Carolinas and neighboring regions.

"We are grateful to Duke Energy for this generous support, which is invaluable to Trout Unlimited's sustained coldwater conservation efforts in the mountains of western North Carolina," said Andy Brown, Southern Appalachian stream restoration manager for Trout Unlimited. "In 2017 we will undertake several major projects to improve coldwater habitat."

TU will remove or replace ill-suited or poorly functioning culverts across three headwater streams, re-connecting 9 miles of aquatic habitat for eastern brook trout and other aquatic species and, in the process, eliminating a significant sediment source to these otherwise high quality waters.

Additionally, Duke Energy's support will help TU leverage \$338,000 from other partners to expand coldwater conservation to other sites in the region, not only this field season but into the future. Partners include the North Carolina Wildlife Resources Commission, U.S. Forest Service, National Fish and Wildlife Foundation, U.S. Fish and Wildlife Service, and N.C. Division of Parks and Recreation.

"Duke Energy is committed to protecting and restoring the rivers and waterways that are valuable resources for our communities and regional economy," said Cari Boyce, president of the Duke Energy Foundation. "We look forward to our partnership with Trout Unlimited and the impact this grant will have in North Carolina."

Investment decisions are carefully reviewed by the Water Resources Fund committee, an independent body that includes five environmental experts and two Duke Energy employees. Selected projects are chosen on several criteria, including whether the project is science-based and research-supported.

Duke Energy anticipates two grant announcements per year over the course of the Water Resources Fund. Visit nccommunityfoundation.org for more information on how to apply and register for the session.

The Duke Energy Foundation provides philanthropic support to address the needs of the communities where its customers live and work. The foundation provides more than \$30 million annually in charitable gifts. The foundation's education focus spans kindergarten to career, particularly science, technology, engineering and math (STEM), early childhood literacy and workforce development. It also supports the environment and community impact initiatives, including arts and culture.

Duke Energy employees and retirees actively contribute to their communities as volunteers and leaders at a wide variety of nonprofit organizations. Duke Energy is committed to building on its legacy of community service. For more information, visit <http://www.duke-energy.com/foundation>.

Duke Energy is a Fortune 125 company traded on the New York Stock Exchange under the symbol DUK. More information about the company is available at duke-energy.com.

The [Duke Energy News Center](#) serves as a multimedia resource for journalists and features news releases, helpful links, photos and videos. Hosted by Duke Energy, [illumination](#) is an online destination for stories about people, innovations, and community and environmental topics. It also offers glimpses into the past and insights into the future of energy. ↩

Want to honor Teddy Roosevelt's legacy? Here's how:

Theodore Roosevelt was many things, but perhaps most of all he was a public lands champion. He used his authority as President to establish 150 national forests, 51 federal bird reserves, four national game preserves, five national parks and 18 national monuments on over 230 million acres of public land.

Yeah, he liked public lands...and our country is greater for it.

[\[SIGN THE PETITION TO PROTECT PUBLIC LANDS\]](#)

We've often found ourselves wondering what Theodore Roosevelt might think of today's conservation landscape and controversies over the management of America's public lands.

No doubt things have changed since he occupied the oval office but many threats have stayed the same when it comes to public lands. The greed of a few to take the right of many, for example. 🐿

Please visit ncwildlife.org/fishing/trout for more information about trout regulations, stockings, and angling opportunities.

Dates listed are subject to change due to unexpected events, such as snow. Changes will be announced through press releases, Twitter, Facebook and on ncwildlife.org.

Brook, brown and rainbow trout require cold, clean water and are therefore generally restricted to mountain streams and lakes.

Those mountain waters that support trout and are open to public fishing are designated as "Public Mountain Trout Waters" by the Wildlife Resources Commission and are managed for public trout fishing. A significant amount of trout fishing opportunities in western North Carolina are located on private property. These landowners have generously allowed for public access for fishing. Please respect their property. Your cooperation is needed to protect fishing opportunities for future generations. The Commission conspicuously marks Public Mountain Trout Waters with regulation signs that indicate locations for public access. When anglers encounter "posted against trespass" signs along these designated sections on private lands, they should respect the property owner's rights and choose another location along that stream to fish. Maps of trout waters and their classifications may be viewed at ncwildlife.org/fishingmap.

TUCKASEIGEE CHAPTER # 373 OF TROUT UNLIMITED

Attached is the 2017 Great Smoky Mountains National Park fisheries volunteer schedule. Please look it over and pass it along to your fellow Trout Unlimited members, school students or other potential volunteers. We would love to spend some time with you on the water in 2017!

Please let me know if you have any questions.

Thanks
Matt

Rivercourse Schedule Announced for 2017

Dates: June 18-23, 2017 (Sunday - Friday) 16th Season!

Age Group: 13-15

Group Size: 18 Campers (Selection - mid-April 2017)

Tuition: \$595 per camper. Early registration is encouraged to reserve a space. Additional information will be sent upon acceptance to camp. Tuition is not due until the applicant is notified that he/she has been accepted. Some financial assistance is available if needed.

About Rivercourse:

- The goal of [Rivercourse](#) is to introduce the campers to coldwater conservation and fly fishing.
- Campers will receive on-stream fly fishing instruction mornings and evenings.
- Campers will participate in a field trip to the nearby Davidson River to learn about the importance of riparian buffers. Their planting of some native species will reinforce the lesson. Also included are fish dissection and a tour of the Bobby Setzer State Fish Hatchery.
- Classroom instruction is both outdoors and indoors.
- Swimming is an optional activity under adult supervision with certified lifeguards.
- Subjects are taught by volunteers from Trout Unlimited, the NC Wildlife Resource Commission, the US Forest Service, the US Park Service, and other organizations.
- TU chapters and members throughout the state support the camp with time, money, and materials.
- A [Rivercourse Fund](#) has been established to produce annual income for sponsorships and operational expenses.

TROUT UNLIMITED

Conserving, protecting and restoring North America's coldwater fisheries and their watersheds.

- Campers are lodged in multiple room cottages. Each bedroom has a set of twin beds and a private bathroom. All linens and towels are provided. Meals are served in a modern dining hall, part of which is set up as a permanent "classroom".

A typical Day at Camp:

Wake-up!
Fishing / Fly Tying
Breakfast
Fishing / Fly Tying
Guest Speaker
Lunch
Guest Speaker, Crafts,
Fly Tying, Knots
Casting
Dinner
Fishing
Fly Tying
Cottage Time
Lights Out

Rivercourse Business Partners:

Curtis Wright Outfitters
Davidson River Outfitters
One Fly Outfitters
Hunter Banks
East Tennessee On The Fly
Jim Hefley Fine Art

Tuckaseigee Chapter provides the \$595 tuition for a camper at the Rivercourse TU Summer Camp at Lake Logan in Haywood County each year. 🐟

The first Hook, Line, and Drinker Festival was a great success! The weather couldn't have been better and the attendance was very encouraging. Tuckaseegee Chapter took part with a booth of our own. Members were on-hand to tell the public about the TU Mission and we even sold a few TU hats. (Green hats were most popular!)

All of the members present expressed their enthusiasm for participating in the festival again next year with plans to make our presentation even better.

For more information about the festival, please visit www.mountainlovers.com or call 828-586-2155.

October 13-17, 2017 for women with all types of cancer, Lake Logan Center, Canton, NC.

Our Three-Day Retreat Weekends offer a full schedule of activities that includes basic fly fishing instruction, medical education and groups that provide opportunities for support and connection with other women surviving cancer.

Retreats begin on Friday afternoon and conclude on Sunday after lunch. The schedule includes group activities and fly fishing instruction. Most women who attend have never held a fly rod and many have never fished. Fly fishing instruction is simple and fun!!

Fly fishing instructors and river guides are always present to teach and assist. All meals are included and volunteer staff are onsite for the entire weekend. While the retreat schedule has a variety of activities, we encourage women to participate at their own level. There is plenty of free time built into the schedule. All participants and volunteers will receive a detailed retreat schedule prior to the weekend. 🐟

Publicity/Communications

Backcast

The May meeting was the chapter's annual picnic on the banks of our beautiful Tuckaseigee River at East Laport Park. We had a great turn-out and the food was very good! 🐟

Think about supporting TU with a **Back The Brookie** TU license plate!

FLY OF THE MONTH

Do you have a pattern that you'd like to submit for our *Tuck Tales* Fly Of The Month article? If you can take a few digital photos of your fly tying effort, please do so and provide a short description of how to tie your pattern.

Most point-and-shoot digital cameras have a flash and macro photography capability. Come on. Give it a try. Share that secret pattern with your fellow members!

We'll include your fly in an up-coming issue of *Tuck Tales*!

Please send an email to Craig Forrest

craigforrest@sleepyhollowstudio.com

UPCOMING EVENTS

Next TCTU Meeting:

Fly Fishing Museum of the Southern Appalachians, Bryson City, June 6

2017 TU Annual Meeting, Roanoke, VA Sept. 27-30

The Spring issue of Trout Magazine is now available on-line at:

<http://www.tu.org/media/trout-magazine>

Editor's Cast

The May meeting was the chapter's annual family picnic at East Laport Park. We had a great turn-out and the food was delicious. Kudos to director Lee Ewart for the hot dogs and burgers. They were great Lee and cooked to perfection!

On Saturday, May 20, the chapter took part in the first *Hook, Line, and Drinker Festival* held at the Bridge Park in Sylva. The event, sponsored by the Jackson County Chamber of Commerce, will become an annual affair. This year's weather couldn't have been better. Carolina Blue skies, temperatures in the high 80's and nothing but a few white puffy clouds floating above the venue.

Tuckaseigee Chapter had several large posters on easels inviting folks to join our chapter, describing our efforts with Trout In the Classroom, and promoting our support of Rivercourse Summer Youth camp at Lake Logan. We had brochures on-hand that explained our chapter's mission and included an application for membership featuring the special 1/2 price for new members. Additionally we had brochures for Trout In the Classroom.

A big thank-you goes out to Julie Spiro and the folks at the Jackson County Chamber of Commerce for putting on a great first event to capitalize on Jackson County as the NC Trout Capital. Tuck Chapter will look forward to participating in next year's festival in an even greater fashion. We have some ideas being formulated to help make this event a big fundraiser for the chapter.

Our next big project will be the festival over in Bryson City. This will occur in October. We participated last year and plan to have an even better presence this year. We will be selling raffle tickets and continuing to put our mission in front of the public.

Make plans to attend the June chapter meeting in Bryson City at the Fly Fishing Museum of the Southern Appalachians on June 6! 🦈

Forward Cast

Tuck Chapter will next meet 6:30 PM June 6th at the Fly Fishing Museum of the Southern Appalachians in Bryson City. Our program will involve a tour of the museum. The board will serve a hot dog supper at a cost of \$5.00.

TUCKASEEGEE CHAPTER # 373 OF TROUT UNLIMITED

Tuckaseegee Chapter received a letter of appreciation from *Friends of Panthertown* for our donation to their fund drive to acquire a 16-acre tract of land near the Salt Rock entrance. We have been informed that an anonymous donor doubled our contribution amount. Construction has now begun on an expanded parking area at the Salt Rock entrance. There will be a celebration on June 3 at the Salt Rock trailhead. 🐟

Friends of Panthertown, Inc.
P.O. Box 51 • Cashiers, NC 28717 • 828-269-HIKE (4453) • www.panthertown.org • friends@panthertown.org

May 16, 2017

Dear Trout Unlimited Tuckaseegee Chapter,

WE DID IT! Thank you for contributing to the 16-acre Salt Rock land acquisition. We received your donation of \$200.00 on April 04, 2017.

With the outpouring of generosity and community support, together we were successfully able to raise the funds necessary to purchase and conserve this important piece of property. This property will ultimately be transferred to the U.S. Forest Service to expand the property within the protected borders of Panthertown Valley. Thank you for helping us protect and maintain this special place.

Now, it's time to celebrate and **you are invited**. Join the Friends of Panthertown on Saturday, June 3, National Trails Day, at the Salt Rock trailhead to celebrate conservation of Panthertown. Hike, bike, run, and play on the trails all day. At noon, there will be a ribbon cutting ceremony for the recently acquired land next to the Salt Rock trailhead.

Enjoy live bluegrass music by local musicians Pinnacle Ridge, bring a picnic or enjoy delicious food from **award-winning Mojo Kitchen & Lounge food truck (winner of Best Food Truck in Asheville competition)**, bid on silent auction items, and enter to **win a YETI Hopper 40 cooler** donated by Zoller Hardware.

Family friendly, children are welcome! There will be kid's activities on hand, guided hikes, plus lots of self-guided exploring for the whole family.

For more info, please visit our website or call (828) 269-HIKE (4453).

Gratefully,

Margaret Carton
Margaret Carton
President, Friends of Panthertown

A Casting Carolinas Report

My New Years Resolution was to experience new adventures and come out of my comfort zone of sedentary sewing activities to engage in outdoor fun. Then came along an invitation to join a Casting Carolinas Retreat, a three-day adventure in the beautiful setting of Lake Logan. This program is designed to help guide women participants to successfully navigate the complicated terrain of cancer survivorship.

A wonderful well-trained staff assisted the group in every step of the journey and treated us like queens. We learned all aspects of fly-fishing including the equipment needed, setting up our lines, and fly-tying. There were also sessions on nutrition, exercise, meditation and mindfulness, music and dance.

The final day was to put into practice all that we had learned, and go out and "catch fish". We each had a personal guide to assist. After missing several chances and "worrying the fish to death", I believe one just surrendered by jumping up into the net. It was exciting to catch a beautiful 10-inch Rainbow Trout.

The experience was one I'll never forget. I met some amazing women and made many new friends.

I'M TURNING IN MY KNITTING NEEDLES FOR A FLY-ROD.

Thanks to the Tuckaseegee Chapter of TU for introducing me to this program.

Kandy Tucker

Kandy is the wife of Tuckaseegee Chapter Trout In the Classroom co-ordinator and past president Larry Tucker.

Send In A Fishing Report!

Tuck Tales would like to feature your fishing report. This could be from a recent or past fishing trip. We don't care where you went or what you fished for. Maybe you fished the Tuck, or some other water out-of-state or maybe another country!

Just send in your report including who went, where, when, what water was fished, the tackle used, photos if you have them, and what were the results. Send to:

Craig Forrest
craigforrest@sleepyhollowstudio.com

*Tuck
Tales*

is published 12 times per year by Tuckaseigee Chapter of Trout Unlimited, a non-profit organization, for its members and supporters.

<http://www.tuckaseigee.tu.org>

Don't Miss Your Chance!

Tuckaseigee Chapter is offering a chance to win a new fly rod at each meeting!

Richard Echelman won the rod pictured at the December 2016 meeting. Richard has graciously donated a rod to the chapter that he had won in a previous raffle for our new rod raffle! (Photo in next newsletter.)

Members can purchase chances at \$1 each (\$5 gets you 6 tickets) to be selected to then draw a card from a standard deck. If you draw the special card you'll win the rod. That's quite a good reason to attend the next meeting. You could go home with a beautiful rod!

Tuckaseigee Chapter of Trout Unlimited serves Jackson and Swain Counties. We meet the first Tuesday of every month in the Community Room at the rear of the United Community Bank of Highway 107 South in Sylva at 6:30 PM. A meal is provided by the Grub Committee at a cost of \$5 per person. Guests are invited to join us at no charge.
